DOES YOUR SIGN DO YOU CREDIT?

It pays to have a sign at your place of business when people are looking for you—the bigger the better. It also pays to have a sign in the directory, where people are all the time looking for something in your lines. If you do not have it there, you are helping your competitors who do. Nothing in print indicates progressiveness so much as a strong representation in the city directory.

North Adams

Situated in Northwestern Massachusetts, near the boundry lines of Vermont and New York States, is the commercial and manufacturing metropolis of a large territory, lying in the three states. A good city for business and residence.

Ideal city government, most excellent schools, clean, well-paved streets, large, up-to-date stores, good theatres, many whole-sale houses.

Manufacturing

North Adams is fortunate in having a diversified line of industries and on a scale seldom found in a city of this size. Notable among the large concerns is the Arnold Print Works, Windsor Print Works, Hoosac Cotton Mills. There are many other large concerns employing from 200 to 500 hands.

Shipping Facilities

Abundant railroad facilities with two routes to Boston, three to New York city, two to the West and two to Canada. First-class trolley service, with many fast suburban lines bringing into close touch the surrounding territory.

Inducements to Manufacturers

An energetic Merchants Association stands ready to assist any worthy enterprise to locate in this city.

The Best Advertising Medium

IS THE CITY DIRECTORY

Because—It is Used the Most to Find Just Such Information
You Most Wish to Have the Public Know

First—What line of goods you handle. Second—Where you are located. Pick up a City Directory anywhere, and almost invariably you can tell who the progressive, up-to-date merchants and professional men are. There are many brands of clothing, shoes, dry goods, groceries, etc., and some prefer one kind, some another. What better place to state your special brands than the CITY DIRECTORY?

Directory Advertising vs. Other Kinds

It is the Only Advertising

that is not "hit or miss" from the fact that it always can be found when wanted.

It is the Only Advertising

medium that has no competition and is used by practically the whole community and is not used for kindling purposes within a short time after issued—nor is it read once and thrown away.

It is the Only Advertising

medium which is on the job 365 days a year and in many establishments, 24 hours a day.

It is the Only Advertising

medium where you can advertise your brand of goods with absolute certainty that the public can find this information when desired.

It is the Only Advertising

medium where one would look and expect to find a physician's office hours, a clothier's make of clothing, a hatter's make of hats, a shoe dealer's make of shoes, and so forth, all through the activities of a city's business life. If you do not have your lines represented, then you do not understand the meaning of Directory Advertising.

It is the Only Advertising

medium that represents every business house in the City, and to omit your sign therefrom is like omitting the sign from in front of your place of business. This has been proven many times.

For 1c a day and up

you can have a sign in your local Directory, used by more than 100,000 people, your name and business in prominence and full representation in the Classified Business Directory.

THE NORTH ADAMS TRANSCRIPT

The New Transcript Building
Bank Street North Adams

In its new home, with its increased facilities, The Transcript now carries over NINETY PER CENT of the "foreign" advertising placed in its territory EXCLUSIVELY, and —

has practically doubled its list of EXCLUSIVE LOCAL CONTRACTS.

Are YOU Saving
Money?

N. B.—The Transcript's department of Photo-engraving is sending out all over New England, handling all classes of business of the week, including photographs and designs when desired, at exceptionally low prices.

Ward 1.—Includes the villages of Blackinton and Greylock east to the point where the old Williamstown road crosses the Hoosac River near the Fitchburg railroad crossing in Braytonville. The line then runs north to Clarksburg town boundary. From the railroad crossing the line follows the Hoosac River eastward past the fair grounds to Brown street, passing southward along that street and along the east boundary to the cemetery, thence due south to the Adams line.

Ward 2.—The western boundary of Ward 2 begins at Clarksburg and runs south to the junction of the old Williamstown highway and the Hoosac River, with the river from that point to Brooklyn street for the southern boundary. Thence the line runs northerly along to Liberty, on Liberty to Phillips street and northerly along Phillips street across the hospital grounds due north to the Clarksburg line.

Ward 3.—The easterly boundary of Ward 3 starts at the Clarksburg line and follows Franklin street to Eagle, down Eagle to the Hoosac River, thence westerly along the river to Brooklyn street, up Brooklyn to Liberty, to Phillips, thence due north to the Clarksburg line.

Ward 4.—The easterly boundary of Ward 4 is the line between Florida and North Adams south to a point opposite the five roads, thence due west to the East Mountain school, then northwesterly to East Main street, down East Main through Willow Dell to the Hoosac River, thence along the river to Eagle street, up Eagle and Franklin streets to the Clarksburg line.

Ward 5.—Bounded on the east by the Florida town line, on the south by Adams as far west as

the south branch of the Hoosac River, thence northerly along the river to a point opposite J. H. Flagg's property on State street. The boundary line then runs due east to Ashland street and northwesterly along Ashland street to Washington avenue, to Church, down Church to the junction of Main, thence in a general eastern direction along East Main to the East Mountain school and thence due east to Florida line.

Ward 6.—Starting at the Holden street bridge the lines of Ward 6 run along the north branch of the Hoosac River to and through Willow Dell to East Main, thence to the junction of East Main and Church, and down Church to Washington avenue; then along Washington avenue to Ashland street; thence northerly along Ashland street to Quincy, westerly through Quincy to its termination, thence northerly across Summer street to and through Holden street to the bridge.

Ward 7.—Starting at the Brown street bridge the boundary of Ward 7 runs along the north branch of the Hoosac River to Holden street; thence through Holden across Main to the western terminus of Quincy street; thence through Quincy to Ashland, southeasterly through Ashland to the point opposite J. H. Flagg's property on State street; thence southerly along the south branch of the Hoosac River to the Adams line; thence westerly to a point equidistant from the Adams turnpike to the Notch Road; thence due north through the Tinney and Witherell properties to the easterly boundary of the cemetery; thence along Brown street to the bridge, the point of beginning.

A city that supports a good directory will give the same
support and prosperity to all of its inhabitants; one who is
looking for a location will judge wisely if he selects a city
that has a well patronized directory.

It is an infallible evidence to intelligence, thrift and
general success and prosperity.

The standard of life in such communities is always high.
The people all live well and prosper.

DOES YOUR SIGN DO YOU CREDIT?

It pays to have a sign at your place of business when people are looking for you—the bigger the better. It also pays to have a sign in the directory, where people are all the time looking for something in your lines. If you do not have it there, you are helping your competitors who do. Nothing in print indicates progressiveness so much as a strong representation in the city directory.
